DATE MAILED: 04/02/2004

Please find below and/or attached an Office communication concerning this application or proceeding.

***Response to Amendment***

The reply filed January 16, 2004 is not fully responsive to the Office communication mailed January 5, 2004 for the reason(s) set forth below or on the attached Notice To Comply With The Sequence Rules or CRF Diskette Problem Report.

Claim 1, filed January 16, 2004, and claims 2-13, 19-20 and 23 dependent thereon, are directed to a promoter arbitrary genes in plant seeds, wherein there exists the sequence of Fig. 1a. Claim 1, and claims 2-13, 19-20 and 23 dependent thereon, currently do not comply with 37 CFR 1.821(d) because the sequence of Fig. 1a must be referred to by use of the sequence identifier, preceded by "SEQ ID NO:" in the text of the description or claims, even though the sequence is also embedded in the text of the description and claims of the patent application.

Since the above-mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of **ONE (1) MONTH** or **THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cynthia Collins whose telephone number is (571) 272-0794. The examiner can normally be reached on Monday-Friday 8:45 AM -5:15 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Amy Nelson can be reached on (571) 272-0804. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Art Unit: 1638

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
